

THE PURSUIT

WEEK 10

DIG DEEPER THIS WEEK:

We want to be an Army that is desperate for the Holy Spirit, fully relying on Him, and pursuing new vision and dreams in Jesus name. This is what this season of New Zeal is all about, and it begins with prayer. Join us in this pursuit over the next week and beyond.

Take time to read 1 Samuel 10:1-8

Verses 1 & 6-7 "Then Samuel took a flask of olive oil and poured it on Saul's head and kissed him, saying, "Has not the Lord anointed you ruler over his inheritance? ... The Spirit of the Lord will come powerfully upon you, and you will prophesy with them; and you will be changed into a different person. Once these signs are fulfilled, do whatever your hand finds to do, for God is with you."

ASK YOURSELF THIS WEEK:

- > What might God be saying through this passage to you? To your corps/centre?
- > How often do you see the Spirit come powerfully or people prophesying in your setting?
- > Do you remember when you were changed into a different person? Do you need it again?

COVER IT IN PRAYER THIS WEEK:

Pray again for a fresh outpouring of the Spirit in your life and our movement.

Pray our 'young people would see visions and older generations would dream dreams'.

Pray the Spirit would be evident in all that we do, and that we would be changed people.

BE INSPIRED THIS WEEK:

"If the Holy Spirit was withdrawn from the church today, 95 percent of what we do would go on and no one would know the difference. If the Holy Spirit had been withdrawn from the New Testament church, 95 percent of what they did would stop, and everybody would know the difference" - A. W. Tozer

GET INTO IT THIS WEEK:

Individually: Spend time with God this week, asking Him to prepare you for what He wants you to get out of the New Zeal service.

Corporately: In your gatherings this week pray specifically for the New Zeal service - that this would be a significant time for our movement.
